Making Valiant Fight But Burn Victim Needs Help

There is a woman in the area in real need of aid. She is making a valiant fight but she needs help.

Eight months ago yesterday Mrs. Alice Hunt Horneij, 28, who lives south of Frankfort on U.S. 45, met with fiery tragedy when her clothing became ignited while she was popping corn in the kitchen of her home.

She was badly burned about the body, so badly that she is still unable to straighten it or use her arms because of muscle damage. But she is determined to get well again.

There is more surgery and skin grafting confronting her and meanwhile there are large areas of the body still raw and painful. Under modern treatment dressings are not applied. A medication -- expensive and called first aid treatment -- is used, and the skin left uncovered.

"Weeping" from burned area makes it necessary to use many sheets and pillow cases, and the family's supply is practically exhausted.

Mrs. Arthur Schilling, a neighbor of Mrs. Horneij, said that donations of bed linens would be very welcome. Anyone willing to contribute sheets, pillow

cases, or kitchen pots and pans, or children's clothing can call Mrs. Schilling at 469-4261. If any donors are unable to bring the things to the Schilling residence, a mile and a half south of U.S. 30 on U.S. 45, Mrs. Schilling will arrange to pick them up and deliver them to the Horneij home.

The Horneijs have three sons, Arthur, 7, Nels, 5 1/2, and Bobby, 2 1/2, all small for their ages. They will need fall and winter clothing.

Mr. Horneij is employed as a gas station attendant in Tinley Park. His expenses have been great.

Mrs. Horneij was burned the night of Dec. 11, last year. She was a patient at Silver Cross hospital, Joliet, for several months, and was then transferred to the burn center of Cook County hospital. She will have to return there later for further treatment.

She has been home now for about four weeks but is unable to see visitors. Visitors disturb her and the doctors have said any excitement will be detrimental to her physical condition. That is why anyone who wishes to help is asked to communicate with Mrs. Schilling.

ENTERS NOVITIATE -- Miss Nancy Seeley, daughter of Mr. and Mrs. Martin Seeley, New Lenox, was admitted into the novitiate of the Franciscan Sisters of the Sacred Heart at ceremonies held in St. Mary church, Mokena, last Friday morning. The pontifical mass was celebrated by Bishop Romeo R. Blanchette, auxiliary bishop of Joliet.

Miss Seeley was given the religious name of Sister Anthony Marie. There were six in the group that professed their first vows in the order. The Franciscan Sisters of the Sacred Heart staffs schools, hospitals, children's homes and senior citizens and domestic departments in Illinois, Indiana and California. Among the schools is Sacred Heart high school for girls east of Mokena. The order opened its first foreign mission last year at Belim, Brazil, where sisters from the mother house at Mokena conduct a clinic and a catechetical center for the underprivileged.

400 Attend District Conclave Of The VFW

Some 400 men and women, members of the Veterans of Foreign Wars and its Auxiliary of the Fifth Illinois District, attended the quarterly meeting at Mokena last Sunday.

The posts and auxiliary units present brought in 950 cases of peanut butter, tuna fish and fruit juices for the Nation Children and Widows' home at Eaton Rapids, Mich., and contributed approximately \$1,000 for the upkeep of the home.

William Martin post and its Woman's Auxiliary, of Mokena, hosts to the quarterly session fed the visitors in the basement of the post hall on Wolf road. The auxiliary members took care of this detail and had it so well organized that four "chow lines" were kept moving at the same time so

GOOD FOOD, plenty of it and fast service. These members of the Woman's Auxiliary of Mokena post VFW are taking a few minutes to relax a bit after feeding some 400 visitors to the VFW Fifth District conclave Sunday. The women had the work organized so that four lines were served at a time. Clear New Lenox Man Of Blame For Fatal Crash

A coroner's jury at Joliet cleared Carl W. Drehle, 50, of 131 W. Illinois st., New Lenox, of blame for the four-car crash that took seven lives July 17 on U.S. 66, 17 1/2 miles south of Joliet.

According to the original report on the accident Drehle, an operating engineer for the Contracting and Material Co., of Evanston, which is laying a large natural gas pipe line from Mazon to Chicago, had apparently turned north on the southbound lane from off the Lorenzo road, three and a half miles south of the accident scene.

At the inquest Monday conducted by Coroner Wil-

lard G. Blood, testimony was given by the driver of one of the cars involved in the crash to the effect that a 1958 Ford, driven by a man with gray hair, had passed him shortly before the crash. Drehle was driving a 1958 Ford and he had gray hair.

Other witnesses testified that the car traveling north on the south bound lane was a Buick, and that the Buick collided head-on with the Drehle car.

"From the testimony," the verdict of the coroner's jury reads, "a 1958 Buick owned by William Fleming, of 4205 Marquette rd., Chicago, and believed driven by Michael Fleming, 24, was apparently northbound in the southbound traffic lane and collided head-on with the car driven by Carl W. Drehle, 50, New Lenox, southbound."

"The Drehle car catapulted into the air and went over the Fleming car and came down on the Franzbert Calvert car which was southbound."

The verdict recited how the car containing two women, Mrs. Carrie L. Bryan, 63, Chicago, and Mrs. Ferne Amrine, 58, Glen Ellyn, her sister, skidded into the wreckage of the Fleming car. The two women were killed, as were the four occupants of the Fleming car, and Mr. Drehle.

According to the original report it was believed Mrs. Amrine was driving but at the inquest a neighbor looking at photographs taken of the two women before their bodies had been removed from the car identified the one in the passenger seat as Mrs. Amrine so presumably it was Mrs. Bryan who was driving.

Drehle was originally identified as the northbound driver because of the state-

ment given state police by a truck driver that the northbound car was a 1958 Ford. Other witnesses testified at the inquest of meeting a Buick northbound in the southbound lane south of the point of impact and of being driven off the road by the vehicle.

Calvert, a resident of Broadview, his wife, and an 8-year old son escaped with minor cuts and bruises. His father, Elmer Calvert, 78, and his mother-in-law, Mrs. Elvira Ryan, 65, were hospitalized as a result of their injuries but have since been released.

Killed with Fleming were Dennis Seifert, 21, William J. Bianchi, 22, and Michael Kommer, 20, the latter of Colonial Village.

The coroner's jury held the deaths were accidental and made no recommendations.

Will Start Classes In New Frankfort School On Aug. 31

Two classrooms and the washroom facilities of the new Frankfort grade school in Connecticut Hills will be ready by the time the 1965-66 term opens Aug. 31, according to the architect and builder, it was reported to the board at its regular meeting Aug. 2.

Supt. Leroy M. Olson told the members that the entire school plant is scheduled for completion by the last week in September.

Thus the overcrowding that prevailed the past school year will be remedied, it was pointed out. Last year the school board had to rent space for two classrooms.

Last year the Mokena school system provided space for the educably handicapped. This year Mokena lacks the room and Frankfort and New Lenox will provide the rooms. The upper grade class in special education will be provided by New Lenox, the space for the lower grade by Frankfort.

Bus transportation for such pupils will be furnished by Frankfort and New Lenox. Mrs. Richard Holman has been hired to drive Frankfort's special education vehicle. It will pick up the pupils there and proceed to Mokena, picking up pupils at Arbury Hills. The New Lenox bus will pick up the youngsters at Mokena and take them on to their classes.

Regular bus transportation also was discussed. Tentative routes have been established and as parents register their children for school during the week of Aug. 23 - 28, pick-up points and the time schedule will be given them.

Members of the queen's court were: Joan Garbacz and Nancy Marienthal, Park Forest, and Elaine Sheehan, Orland Park. The new king and queen received their crowns and capes from William Stelter, Homewood, and Janice Knieriem, Mokena, retiring king and queen.

Twenty-five 4-H members received trophies for outstanding exhibits, as selected by judges during the two-day fair.

Supt. Olson and village officials are to meet with officials of the state highway department to arrive at a solution for protecting pupils crossing U.S. 30 walking to and from the new school.

Trimming and removal of trees at the original school site has been completed, it was reported. Decorating the gymnasium has been finished. Still to be completed in the present school is the varnish work in the classrooms.

The board has accepted Alternate No. 3 for the new building, which includes all cabinet work. The cost is \$5,540.

Six bids were received by the board on the chain link fence to be erected at the new school. Lansing Fence was apparently low with a figure of \$1,120. The other firms and their bids were: Goldblatt, \$1,275; Sears - Roebuck, \$1,325; B & M

Lumber, \$1,425; Rittenhouse and Embree, \$1,560; Gee Sauk Trail Lumber, \$2,013.

Action on the bids was deferred until a price is obtained on grading and leveling the area where the fence is to be located.

A movie projector is to be purchased for the new school thru the National Defense and Education Act.

Contract for furnishing heating oil went to DeBoer Oil Co.; the milk contract went to Weber Dairy.

The resignation of Mrs. Joyce Swain, third grade teacher, was accepted. Two teachers are still needed to complete the staff, one for the third grade and one for junior high math.

Students new in the district should register as soon as possible, it was emphasized. All students must register and pay fees the week of Aug. 23-28, it was stated.

Form Committee To Push Tri-County Library Plan

The improvement and development of library programs is now underway in the area.

At a meeting held at Joliet last week, at which the Mokena library group was represented by Supt. James Ennis, of the Mokena public school system, and Mrs. Beatrice Olson, librarian, it was decided to form a steering committee to investigate the possibility of establishing a tri-county library system covering Will, Kane and Grundy counties.

The committee is to be made up of librarians from

nine libraries in the three counties, with Joliet Librarian Robert Pohl as chairman. Three libraries that are not tax supported, of which Mokena is one, will be invited to have representatives sit in on the sessions as observers but they will not have any voting power.

Purpose of the steering committee, it was explained by Pohl, will be to study the possibility of implementing the "library system" under legislation passed by the last general assembly but is still awaiting the signature of Gov. Kerner.

If the governor signs both bills a state aid plan for libraries would be set up. The legislation calls for a contribution from state funds, Supt. Ennis said, that would amount to 40 cents a head for every man, woman and child within a library district.

New Lenox and Lockport have township libraries. They are supported by taxes spread over the townships. Supt. Ennis believes that a township plan could be worked out here by having two outlets, one at Mokena and one at Frankfort.

If a district is formed, as planned, only the tax supported libraries would have a member on the board that operates it. Each library would have but one member on the board, Ennis explained, so there would be no control by large urban centers, therefore, the small libraries would have a voice in determining policies and reaching decisions.

It was Supt. Ennis that made the motion at the Joliet meeting for the formation of the steering committee. The meeting was held at D'Amico's 214 and was attended by 50 persons.

Several months ago the libraries at Frankfort and Mokena received word from the secretary of state's office that the practice of allowing non-tax supported libraries to borrow books from the state library would be discontinued. Without these books most of the small libraries could very well close their doors, it was pointed out.

DANIEL BROWN, New Lenox, (sixth from left in second row) is among first-chair players in Illinois Summer Youth Music organizations currently in session at the University of Illinois. Illinois Summer Youth Music is made up of two-week camps and workshops for gifted grade- and high-school musicians. Emphasis is on intensive individual and group instruction. Purpose is to up-grade school music programs. Final ISYM 1965 sessions closed July 30 with concerts in the "Big Top" tent theater on the U. of I. campus. From left, above, solo players with the junior varsity band, Bobby Andrews, Lincoln; Karen Johnson, Homewood; Marion Steitz, Glenwood; Debby Durhan, Harrisburg; Mark Soderberg, Elgin. Second row, Jerry Young, Lincoln; Jim Brower, Pekin; Lorraine Warner, Beecher; Roger Veach, Springfield; Leland Dawson, Springfield; Daniel Brown; Bruce Bryan, Elgin; Don Grant, Downers Grove; John Buckles, Mt. Pulaski; Rick Haramy, Homewood.

New Lenox School Sets Registration

Opening day of school for all students, grades one thru eight, who will be attending New Lenox School District 122, is Aug. 31, it was announced by Supt. Arnold Tyler. Pre-registration of all students will be in the lobby of the Oakview school on the following dates:

Pupils whose last names begin with A thru M will register Aug. 16, 17, and 18, and pupils whose last names begin with N thru Z will register on Aug. 19, 20, and 23 from 8:30 A.M. to 2:30 P.M.

At this time registration forms will be filled out, room and teacher assignments given, and book, milk, and insurance fees collected. The book fee for grades one thru four will be \$10 and the fee for grades five thru eight will be \$9.50. All books will be issued by the homeroom teacher on the first day of school.

Milk and insurance are optional. Milk may be obtained for \$5 per order per year and accident insurance will be \$2 for each student.

Children going into both third and fourth grades will need to purchase the type of dictionary used in the New

Lenox school system. The cost is \$3.25 and may be purchased on registration day. In order to handle pre-registration more quickly and efficiently, the school would appreciate all fees being paid in cash.

Fees for kindergarten will be collected at the teacher-parent orientation conference during the first week of school. Information concerning kindergarten will be mailed to the parents within the next two weeks.

Enrollments are expected to exceed 1,400 pupils for the 1965-66 school year re-

quiring a staff of 61 certified personnel including teachers, administrators, and supervisors, it was stated.

Six full-time and three part-time custodial personnel have been employed to care for the five buildings to be in full operation. Four full-time non-certified personnel have been employed to do the secretarial work and the bookkeeping and accounting procedures required in the central office, the library, and the offices maintained in the five attendance centers.

Hold Up Water Program Until Bonds Are Sold

Village Engineer Ralph Yunker is now busy with preparing plans covering improvements to the Mokena water system now assured since approval of a \$105,000 bond issue July 31.

There will be no taking of bids on such work, however, it was brought out at the meeting of the village board last week, until the

bonds have been sold.

Bids on the bonds, which are of the general obligation type and as such are paid off thru taxes on real estate, will be opened by the board at its meeting Sept. 14.

The bonds will be sold to the house or institution offering the lowest interest rate.

Nothing has been done about selection of a site for the new well. The village attorney, Ronald Galowich, has been away on military duty, and has not completed his check on the legalities that enter into site selection, it was explained.

The village is said to own some land off Denny st., that could be used for a well site but there are some technicalities to clear up there, it was said. The other two possible sites spoken of are on either side of Wolf rd., at Front st. Sheldon Hauck is reported to be the owner of the property on the west side of Wolf rd. and the Rock Island railroad owns the tract across the street east.

MIDGET AUTO TRACK TO SIZZLE THIS SATURDAY

The midget auto racing track at Joliet's Memorial Stadium will still be sizzling this Saturday night, following a record-breaking mid-season championship performance last weekend.

Lad Injured In Fall From Car In Serious Condition

A Lincolnwood youth, Walter Blaess, 18, was seriously injured last week when he fell off of a moving car and struck his head on the hard roadway.

Driver of the car, James Estes, 17, of Mokena, told sheriff's deputies, he did not know Estes had been injured until the following day.

The accident occurred on Monday night of last week at Lincolnwood. Estes told deputies that he had visited friends there on Circle Drive and as he backed out of their driveway his engine stopped. He started it up again, picked up his mother who was visiting nearby, and went on home.

On arrival there he was given a message to call William Hagen or Charles Williams in Lincolnwood. He said he tried but the telephone was out of order. The

next day he was able to get thru and talked to Hagen.

The latter allegedly told deputies that he and Williams were with Blaess when Estes backed his car out of the drive and Williams and Blaess jumped on the rear of the auto when it stalled. When the car started up Williams jumped off and Blaess fell off, Hagen said, striking his head on the roadway. Williams agreed with Hagen's account. Estes said he first learned of the injury from Hagen. He then reported the incident to the sheriff's office.

The injured boy has undergone surgery for brain damage, it was reported, and has not recovered consciousness.

Blaess was graduated from Lincoln-Way high in June and was to have entered college this fall.

"Wonderful Experience"

Editors Note: The following letter is from Marsha Peterson, who is Lincoln-Way's Foreign Exchange student in Switzerland.)

"How time flies! Two-thirds of my Swiss stay is already gone. But it has been a wonderful experience for me -- and for you at home, I hope, when Genevieve (my Swiss sister) arrives for a year in America. I wish to thank and congratulate the Lions Club on their wonderful exchange program.

"The past two weeks have been busy for me here. I'll tell you about some of the high lights.

"The week-end before last we took an over-night trip. We traveled through the Alps with its hair pin curves, drop offs of thousands of feet, and of course, snow. Then down into the Italian part of Switzerland. By now we were far enough south to see palm trees and which was quite a contrast from the snow of few hours before. We spent the night in a little town called Biasco, and then the next morning we crossed over into Italy. Italy, at least what I saw of it, is also very beautiful. We were back home here in Fribourg in the late evening.

"Then, this last Saturday we arose early, at 4:30 a.m., and left for a day's trip. We drove up around Zurich and even a tiny bit in Germany.

"I think this is one of the great things about Switzerland. Besides having anything from snow to palm trees within its small territory, it also can be a "launching pad" to Ger-

The groom works for his father, a contractor, and will return to Olivet college in Kankakee this fall. He is also a graduate of Lincoln - Way.

Mr. and Mrs. Paul Schubert, on the night before the wedding, gave a rehearsal dinner at the Red Wood Inn in Kankakee for the wedding party and guests.

many, Italy, Austria and France. You can be in Switzerland in the morning and by evening you can be in one of the above countries. It's really fascinating!

"Also, last week my sisters and I took a picnic lunch to a nearby mountain and spent the day. Another afternoon we visited a very large chocolate factory near here. The Swiss are famous for their chocolate and I certainly know why.

"One evening Genevieve and I were invited to an American family's home for cook-out. In the family were two teenage daughters. Also invited was a Swiss girl who spent the '63-'64 school year in America as an A. F.S. student and also a girl who was going for this coming year. We had hamburgers, watermelon, and other typical American food so I think Genevieve has been broken in well to our American ways. It was a very delightful evening.

"I better stop writing and go to bed. I find I'm usually quite ready for bed when the time comes. The mountain air sure makes you sleep good though."

Sincerely,
Marsha Peterson

Eleven year old Judy Wenk, daughter of Mr. & Mrs. Carl Wenk of 9527 West Rosewood Lane, was the victim of a freak accident last Thursday, when she was accidentally hit in the face by a dart while she and her friends were playing.

The dart pierced her cheek A fast trip to the Hedges clinic in Frankfort and the removal of the dart by the doctor along with a tetanus shot provided her with enough excitement to last quite a while.

Following her trip to the doctor, she was returned home with no ill aftereffects to be noticed except a band-aid and greater knowledge about when to duck.

Let this be a word of warning about the hazards of sharp pointed darts in the hands of children.

The good neighbor policy is still in effect in Arbury Hills evidenced by a couple of helping hands for this reporter when my sister's first child decided to make an unexpected early appearance on July 30. Hovi children were shunted around to neighbors so that my new nephew could make his initial appearance in the hospital instead of at home.

Their immediate acceptance of a rush situation enabled me to provide transportation to the mother to be. Thanks a heap, everyone!

End Season In Tie Game

The Mokena Blues felt that they scored a moral victory in holding Frankfort to a 5-5 tie in the final game of the season on August 5. First-place Frankfort had achieved an impressive record of 11 wins and only 2 losses, one of them to the Blues.

Mokena again had only nine players on hand and gave batting star Marty Novak his first start as a pitcher, facing Frankfort's unbeaten star, Art Schilling. Novak allowed only two hits in the 6-inning game, striking out 10, and an upset was in

sight until Frankfort scored the tying run in the final inning on a walk, hit batsman and a single by Rick Kohlbacker. Dale Brown had Frankfort's only other hit, also a single. Schilling again pitched a good game, giving up 4 hits and no walks and striking out 8, but was hampered by his teammates' 7 errors and all of the Blues' runs were unearned.

John Sluis and Tim Shanahan each singled for the Blues, Bill Kennard doubled and Novak tripled.

OFFICE OF COUNTY TREASURER OF COOK COUNTY AND EX-OFFICIO COUNTY COLLECTOR OF COOK COUNTY, ILLINOIS

July 29, 1965

Advertisement and Notice of Collector of Cook County of Application for Judgment for Sale of All Lands and Lots upon which All or a Part of the General Taxes for 10 or More Years are Delinquent, and Notice of Sale Thereof.

July 29, 1965

NOTICE IS hereby given that the said Collector of Cook County will, pursuant to the provisions of Section 235a of the Illinois Revenue Act of 1939, as amended, apply to the County Division of the Circuit Court of Cook County on the 9th day of August, A. D., 1965, for judgment against lands and lots herein-after described, being parcels upon which general real estate taxes for 10 or more years remain due and unpaid, and for an order to sell said lands and lots for the satisfaction thereof according to law.

Notice is further herein and hereby given that on the 9th Monday next succeeding the 9th day of August, A. D., 1965, to-wit, the 11th day of October, 1965, at the hour of 9 o'clock A.M. all said lands and lots hereinafter described, for sale of which an order shall have been made, will be exposed to public sale in the building where the County Division of the Circuit Court is held, namely, the County Building, 118 North Clark Street, Chicago, Illinois, to the highest bidder for cash.

The following is a list of delinquent lands and lots upon which the general real estate taxes remain due and unpaid for 10 or more years, the names of the owners where known, the total principal amount due thereon, and the years for which the same is due.

(The total amount due in this application on each tract or parcel of land or lots is the total principal amount, due as hereinafter set forth, plus the statutory penalties, interest and costs which may be computed for each year for which said parcel is delinquent.)

EXPLANATORY NOTE --In this list in all places where no other notation is made the figures in the column headed "\$" (meaning dollars) and the "cts" (meaning cents) represents the total principal amount of the general real estate taxes due and unpaid for all years for which that parcel is delinquent, whether or not that parcel was forfeited for any or all of such delinquent years.

Payment of taxes made after printer's copies are sent to publishers for listing are not reflected in this list, but such payments will be posted before judgment is entered on the application advertised herein.

In lieu of legal description, each parcel of land or lot is designated by a permanent real estate index number.

In the permanent real estate index number system the area is designated by the number appearing in the column headed "A," the sub-area by the number in the column headed "SA," the block by the number appearing in the column headed "Blk," and the particular parcel by the number in the column headed "Pcl."

Comparison of the permanent real estate index number with the legal description of any parcel may be made by referring to the cross indices maintained in various County offices.

Miss Jill Knowles was the honored guest at a miscellaneous shower given Sunday, at the home of her sister, Mrs. Wendell Holman

of 15156 Highland Avenue, Orland Park. Assisting hostesses at the party were, Miss Barbara Murdock of Mokena, and Miss Kathy McCollum of New Lenox.

Upon her arrival at the party, the bride to be was presented with a corsage of white mums and yellow cymbidium orchids.

After a novel game the guest of honor was presented with many lovely gifts from under a decorated bridal umbrella. A buffet supper was served from a table covered with a white linen cloth and centered with a decorated cake in yellow and white. Yellow candles flanked the cake on either end.

Guests at the party were, the mesdames Robert Holman, Gerald Holman, Harold Vondermeer of Kankakee; William Knipple, Ronald Knipple, John Lavezzi, John Fedak, Jack Knipple, Burnette Schram and Miss Kay Schram of Frankfort; Ronald Rob of Lincoln Estates; James Fetzner and Miss Karen Rogers of Mokena; John Miklic, Miss Mary Miklic, Miss Diana Rastella, Miss Kay Rohats of Joliet; Miss Eileen Bond of Chicago; and the Mesdames, Jack Simmons, Len Anderson, Jack Tarrant, Ken Kessel, James Sherwood, Edmund Knowles, Jr., Lester Brown, Edmund Knowles, Sr., and the misses, Claudia Peterson, Joan Zuzag of New Lenox; the bride to be and the hostesses. Grass Is A Life Saver

Most of us take grass for granted, but we'd be in bad shape without it, Charles E. Deutschman, chairman of the Will County Agricultural Stabilization and Conservation committee, said this week.

"If we didn't have grass, we'd not only lose our topsoil -- and with it the fertility of our fields -- but we'd have no fish in our streams. The silt clogging streams from runoff would soon kill all life in the rivers, streams, and farm

the bride of Arlan Schram of Frankfort on Saturday, August 21st at St. Jude's Catholic church.

ponds. For the same reason, our reservoirs would soon be full of silt and we'd be short of drinking water and water for household and industrial uses.

"Improved stands of grass as well as many additional acres, have resulted from ACP and feed grain programs in recent years," Mr. Deutschman said.

More than 1,400 Will county farmers are participating in these programs in 1965 in which 24,060 acres of cropland are now devoted to grass and other conserving uses. Most of this land had been used for row crops before being seeded to grass. Chairman Deutschman pointed out that grass is just as important today as it was when farm programs started more than 30 years ago.

"If you're going to tie down the land," he said, "or

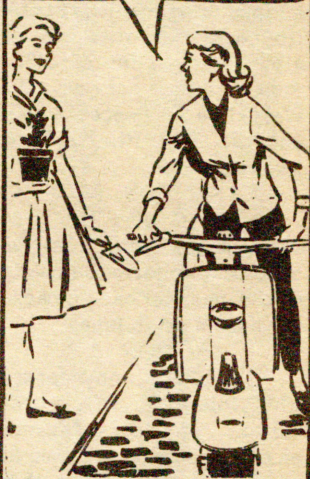

manage water efficiently using nature's tools, you've just got to have grass."

Will county farmers are invited to stop at the ASCS office at 1256 W. Jefferson, Joliet, and discuss ACP cost - sharing programs which relate to more and better grass cover.

big capacity husking units!

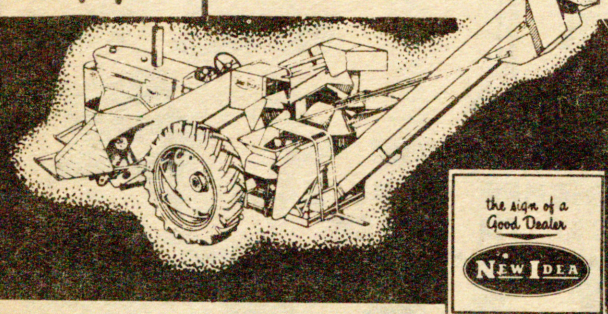

Take your pick of 8 or 12 roll husking beds with Superpicker.

Now you can have a choice of husking units for the New Idea Mounted Superpicker. You can choose the high capacity 8-roll husking bed that has made New Idea the favorite of farmers wherever corn is grown. Or choose the new 12-roll husking units for handling high moisture, extra high yielding corn at faster ground speed.

NEW IN 1965!

Both husking beds are equipped with Flexi-finger presser wheels which align the ears for better distribution and keep them moving along the husking rolls. Result: greater capacity, cleaner corn.

2 Will County Shooters Win State Farm Doubles

Les Schaal broke 48 of a possible 50 in doubles and teamed with Frank Morris's 45 to take first place in the two-man doubles team in the State Sports Festival trap shoot last Thursday.

While this was the only first place award to Will county, the story goes on. Schaal's 48 was good for a third place individual trophy in doubles. He also broke 92 of the first 100 targets to lead the five-man "B" team to second place behind LaSalle county. Other "B" team members - Andy Hogniotes, Frank Morris, Ted Grimm, and Art Rademacher combined with Schaal to break 432 out of a possible 500.

The "A" team - Dan Glenney, Bernard Morris, Wilbur Seil, Joe Marcukaitis and Robert Lottz, knocked down 469 good for a three way tie for first place. In the shoot off the Will county squad was bested by Clark and Clay counties in that order and took third place.

High man for the day among Will county entries was Dan Glenney who captured the high man trophy two years ago. Glenney's 96 just (4) less than perfect, was out of the running behind a 98 and five 97's. This illustrates the closeness of the competition and the high

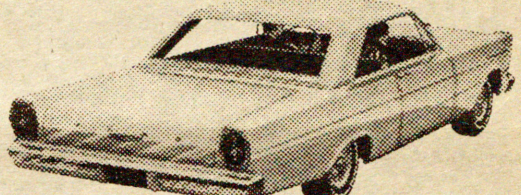

class shooting in the State Meet.

Frank and Bernard Morris combined a 183 for a second place tie in the brother & brother class. After a shoot off they were still tied and in the interest of time both teams agreed to toss a coin. The Morris boys lost by a head which is a narrow margin of victory in a trap shoot.

Rounding out the 14 man Will county squad were - Myron FitzHenry, Joe Rachke, and Danny and Terry Marcukaitis.
